On 08/26/2020, at approximately 0223 hours, Officer Lee, ID 22295 and I were on routine traffic patrol of the Castro Valley CHP area in a distinctly marked black and white CHP patrol Vehicle (p/v) (1484286), dressed in full blue CHP uniforms, working as C143-031. Officer Lee was driving, and I was seated in the right front passenger seat. We were parked on the right-hand shoulder of I-580 eastbound, Grand Avenue on-ramp, when I noticed a blue BMW suv (s/v) pass at a high rate of speed within the #2 lane. I visually estimated the s/v to be travelling at approximately 95 mph. I activated the forward-facing radar device (DE015678) last calibrated by San Diego State University on 06/14/2019 and passed all required tests and received a digital reading of 92 mph along with an audible dopler tone consistent with that speed which confirmed my visual estimation. Officer Lee positioned the patrol vehicle behind the s/v and initiated an enforcement stop for 22349(a) VC - "No person may drive a vehicle upon a highway at a speed greater than 65 miles per hour." The driver immediately slowed down and yielded to the 164th Avenue exit. The s/v made a right turn onto Liberty Avenue, south of 163rd Avenue and yielded to the right-hand shoulder. I exited the p/v and I made a passenger side approach.

I contacted the driver through the open passenger side window and advised him for the reason for the stop. I asked the driver for his driver license, insurance and registration. The driver related he did not have a valid driver license, insurance or registration to the vehicle. The driver gave me his California Identification card REDACTED and was identified as Cameron Anthony Odom with a date of birth of REDACTED. While speaking with Odom, Odom appeared very nervous and was unable to give any paperwork regarding the vehicle. Odom related the vehicle belonged to his sister and she lived up the street from where the stop was. I conducted a DMV records check using my Mobile Digital Computer (MDC) which returned with a license status as withheld due to fail to appear. I also conducted a DMV records check to the vehicle which returned to an address of REDACTED which did not match to the response Odom had given. I conducted a search of Odom using Alameda Criminal Records Information Management System (CRIMS) which show Odom to be affiliated with criminal gang activity.

I responded back to the driver side and asked Odom to meet me by the right front of my patrol vehicle. Due to the proximity with Odom, loose baggy clothing, his known affiliation to being a gang member, I asked Odom to turn around and place his hand behind his head in order to do a pat search. Odom immediately turned around and asked what is going on? I asked him again to place his hands behind his head and he complied. I conducted a pat search and immediately felt within his waistband what I knew to be a firearm. I told Odom to not move and removed it from his waistband. I placed Odom in handcuffs, checked for tightness, and double locked. Upon searching Odom incident to arrest, I located an extended magazine that holds 22 ammunition rounds within his right front pocket that contained 18 ammunition rounds. The firearm which was identified to be a Glock 32, had one round within the chamber of the firearm. The firearm did not have a magazine within the magazine well. I placed Odom under arrest at 0232 hours. I Mirandized Odom at 0235 hours and Odom invoked his Miranda rights and did not want to talk about the firearm.

I placed Odom in the right rear seat of my patrol vehicle, secured him using the prisoner restraint strap and seat belted for safety. Odom was transported to Santa Rita Jail and booked on all applicable charges without further incident.

I declare under penalty of perjury that the above information was obtained through official police channels and is contained in the above-mentioned police report. Executed in the County of Alameda, State of California. Identity and signature of declarant verified by CRIMS.

1 SUMMARY:

2 On 08/26/2020, at approximately 0223 hours, Officer Lee, ID 22295, and I were on routine traffic
 3 patrol of the Castro Valley CHP area in a distinctly marked black and white CHP patrol Vehicle
 4 (p/v) (1484286), dressed in full blue utility CHP uniforms, working as unit C143-031. Officer Lee
 5 was driving, and I was seated in the right front passenger seat. We were parked on the right-hand
 6 shoulder of I-580 eastbound, Grand Avenue on-ramp, when I noticed a blue BMW suv (s/v) pass
 7 at a high rate of speed within the #2 lane. I visually estimated the s/v to be travelling at
 8 approximately 95 mph. I activated the forward-facing radar device (DE015678) last calibrated by
 9 San Diego State University on 06/14/2019 and passed all required tests and received a digital
 10 reading of 92 mph along with an audible dopler tone consistent with that speed which confirmed
 11 my visual estimation. Officer Lee positioned the patrol vehicle behind the s/v and initiated an
 12 enforcement stop for 22349(a) VC – "No person may drive a vehicle upon a highway at a speed
 13 greater than 65 miles per hour." The driver immediately slowed down and yielded to the 164th
 14 Avenue exit. The s/v made a right turn onto Liberty Avenue, south of 163rd Avenue and yielded to
 15 the right-hand shoulder. I exited the p/v and made a passenger side approach.

16
 17 I contacted the driver through the open passenger side window and advised him for the reason for
 18 the stop. I asked the driver for his driver license, insurance and registration. The driver related he
 19 did not have a valid driver license, insurance or registration to the vehicle. The driver gave me his
 20 California Identification card REDACTED and was identified as Cameron Anthony Odom with a
 21 date of birth of REDACTED While speaking with Odom, Odom appeared very nervous and was
 22 unable to give any paperwork regarding the vehicle. Odom related the vehicle belonged to his
 23 sister and she lived up the street from where the stop was. I conducted a DMV records check
 24 using my Mobile Digital Computer (MDC) which returned with a license status as withheld due to
 25 fail to appear. I also conducted a DMV records check to the vehicle which returned to an address
 26 of REDACTED which did not match to the response Odom had given.

1 SUMMARY (continued):

2 I conducted a search of Odom using Alameda Criminal Records Information Management System
3 (CRIMS) which showed Odom to be affiliated with criminal gang activity. CRIMS also related
4 Odom had prior firearms charges with prior convictions.

5
6 I responded back to the driver side and asked Odom to meet me by the right front of my patrol
7 vehicle. Due to the proximity with Odom being close to me, loose baggy clothing, his known
8 affiliation to being a gang member, prior weapon history, nervousness, and deceptive behavior
9 response about the vehicle, I asked Odom to turn around and place his hand behind his head in
10 order to do a pat search. Odom immediately turned around and asked what is going on. I asked
11 him again to place his hands behind his head and he complied. I conducted a pat search and
12 immediately felt within his waistband what I knew to be a firearm. I told Odom to not move and
13 removed it from his waistband. I placed Odom in handcuffs, checked for tightness, and double
14 locked. Upon searching Odom incident to arrest, I located an extended magazine that holds 22
15 ammunition rounds within his right front pocket that contained 18 ammunition rounds. The
16 firearm, which was identified to be a Glock 32, had one round within the chamber of the firearm.
17 The firearm did not have a magazine within the magazine well. I placed Odom under arrest at
18 0232 hours. I Mirandized Odom at 0235 hours and Odom invoked his Miranda rights and did not
19 want to talk about the firearm.

20
21 I placed Odom in the right rear seat of my patrol vehicle, secured him using the prisoner restraint
22 strap and seat belted for safety. Odom was transported to Santa Rita Jail and booked on all
23 applicable charges without further incident.

24

25 STATEMENTS:

26 Refer to the "SUMMARY" for the statement Odom had given,
